

**H-BT10U****High-Speed Data Transmissions****128-Bit Data Encryption****Two Year Warranty****PACKAGE CONTENTS:**

- ◆ Quick Installation Guide
- ◆ Installation CD-ROM
- ◆ USB Extension Cable
- ◆ H-BT10U Bluetooth™ Adapter

**Get Connected With Hawking**

- ◆ High-speed Wireless Transmissions, up to 723 Kbps Data Throughput.
- ◆ Fast, Reliable and Secure
- ◆ Synchronize devices in your Personal Area Network to keep your data consistent.
- ◆ Easy to install and use
- ◆ Free tech support

**Connect Anywhere, Anytime**

The Hawking H-BT10U USB Wireless Bluetooth™ Adapter transmits voice and data through radio waves at fast Bluetooth™ speeds up to 723Kbps. Link your notebook with your handheld, mobile phone, printer or other Bluetooth™ devices within your personal area network (PAN) via a secure wireless Bluetooth™ link. Use two H-BT10U's with each of your personal computers to create a short-range wireless network. Get rid of all those troublesome cables and automatically share documents, browse the Internet and synchronize calendars, address books and more when connecting with another Bluetooth™ enabled device. Hawking's H-BT10U Wireless Bluetooth™ Adapter is the perfect solution to get you connected to other Bluetooth™ devices.

**Systems Requirement:**

- ◆ Windows 98/2000/ME/XP
- ◆ CD-ROM Drive
- ◆ USB Port

**Network Operations Systems Support:**

- ◆ Microsoft Windows 98/2000/ME/XP

### ORDERING INFORMATION:

<b>WA300</b>	11M IEEE802.11b Wireless Access Point
<b>WE110P</b>	11M IEEE802.11b Wireless PC Card
<b>WU250</b>	11M IEEE802.11b Wireless USB Adapter
<b>WR254</b>	11M IEEE802.11b 4 port Wireless Router server or AP with 3 port print server

### SPECIFICATION:

#### Standard

Bluetooth 1.1 specification compliant

#### Interface

USB 1.1

#### Frequency Band

2.400 ~ 2.4835 GHz

#### Data Rate

Up to 723 Kbps

#### Security

Data encryption up to 128-bits Typical Range  
Devices connect for access and data sharing within ranges up to 32 feet (10 meters)

#### Topology

8 devices point-to-multipoint

#### Antenna

Built in the card

#### RF Topology

Frequency-hopping spread spectrum

#### LED indicator

Power: Orange

#### Transmitter Power

Output power meets Class 2 Requirement

#### Power Requirement

5V DC, 86mA (max.)

#### Physical Specification

Dimension: 69.53 (L) x 26.68 (W) x 9.19 (H) (mm)

#### Supported operating systems

Windows 98/ ME /2000 /XP

#### Certification

FCC Part 15 in US

EN300328 and EN300326 (EN301489-17) in European.

### READY, NETWORK & GO!

It's easy to install, it's easy to use! Everyone can do it.

#### Step 1 - Install the CD-ROM Software.

Insert your H-BT10U installation CD into your CD-ROM Drive and the Auto-Run function will automatically guide you to start the installation of your USB Bluetooth™ Adapter.

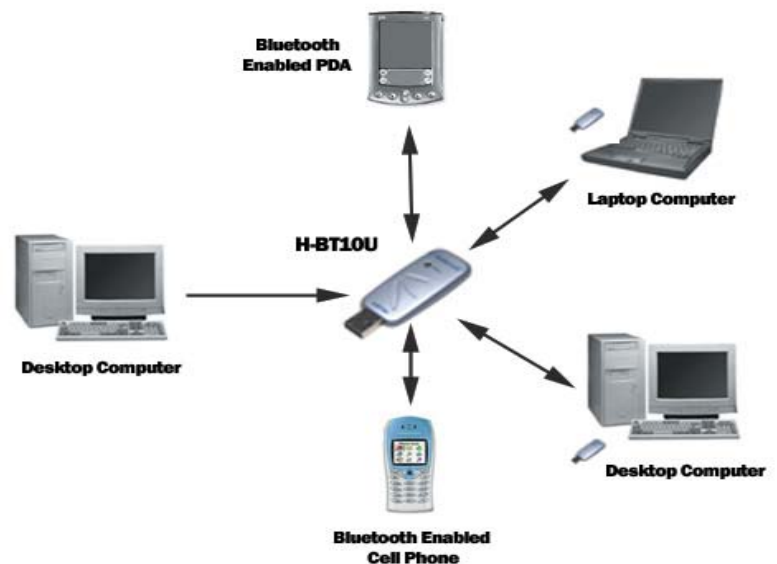

#### Step 2 - Plug in your USB Bluetooth™ Wireless Adapter.

Insert software CD into your Windows 98/2000 or ME computer to install the Wireless Navigator Utility.

#### Step 3 - Customize and Configure.

Right-click on the Bluetooth™ icon in your Windows taskbar to customize your settings and search for other Bluetooth™ devices. It's that easy!

### WIRELESS NETWORK DIAGRAM:

### Features

- Complies with Bluetooth 1.1 Specifications.
- Uses 2.4 GHz ISM frequency band.
- High-speed Wireless Transmissions, up to 723 Kbps Data Throughput.
- Enables wireless connectivity between a notebook computer and other Bluetooth™ devices.
- Provides a high degree of security for communications between Bluetooth™ devices.
- Connections within ranges of up to 32 feet (10 meters).
- Plug and play installation in Windows98 /ME / 2000 / XP.
- Connect with Bluetooth™ devices outside your PAN to quickly and easily share data, files and information with a friend or co-worker.
- Synchronize devices in your Personal Area Network to keep your data consistent.
