

**HBTC1****High-Speed Data Transmissions****128-Bit Data Encryption****Two Year Warranty****PACKAGE CONTENTS:**

- ◆ Quick Installation Guide
- ◆ Installation CD-ROM
- ◆ USB Extension Cable
- ◆ HBTC1 Bluetooth™ Adapter

**Get Connected With Hawking**

- ◆ High-speed Wireless Transmissions, up to 723 Kbps Data Throughput.
- ◆ Wireless range up to 100 meters.
- ◆ Fast, Reliable and Secure.
- ◆ Synchronize devices in your Personal Area Network to keep your data consistent.
- ◆ Easy to install and use.
- ◆ Free tech support.

**Connect Anywhere, Anytime**

The Hawking HBTC1 USB Class 1 Wireless Bluetooth™ Adapter transmits voice and data through radio waves at fast Bluetooth™ speeds up to 723Kbps and distances of up to 100 meters. Link your notebook with your handheld, mobile phone, printer or other Bluetooth™ devices within your personal area network (PAN) via a secure wireless Bluetooth™ link. Get rid of all those troublesome cables and automatically share documents, browse the Internet and synchronize calendars, address books and more when connecting with another Bluetooth™ enabled device. Hawking's HBTC1 Wireless Bluetooth™ Adapter is the perfect solution to get you connected to other Bluetooth™ devices.

**Systems Requirement:**

- ◆ Windows 98/2000/ME/XP or Mac OS X+
- ◆ CD-ROM Drive
- ◆ USB Port

**Network Operating Systems Supported:**

- ◆ Microsoft Windows 98/2000/ME/XP
- ◆ Mac OS X and above

## CAREFREE WIRELESS

### HBTC1

**High-Speed Data Transmissions**  
**100 Meter Wireless Range**  
**128-Bit Data Encryption**  
**Two Year Warranty**

#### SPECIFICATIONS:

##### Standard

Bluetooth 1.1 specification compliant

##### Interface

USB 1.1

##### Frequency Band

2.400 ~ 2.4835 GHz

##### Data Rate

Up to 723 Kbps

##### Security

Data encryption up to 128-bits Typical Range  
 Devices connect for access and data sharing within ranges up to 100 meters

##### Topology

8 devices point-to-multipoint

##### Antenna

Built in the card

##### RF Topology

Frequency-hopping spread spectrum

##### LED indicator

Power: Orange

##### Transmitter Power

Output power meets Class 2 Requirement

##### Power Requirement

5V DC, 86mA (max.)

##### Physical Specification

Dimension: 69.53 (L) x 26.68 (W) x 9.19 (H) (mm)

##### Supported operating systems

Windows 98/ ME /2000 /XP and Mac OS X and above.

##### Certification

FCC Part 15 in US

EN300328 and EN300326 (EN301489-17) in European.

#### READY, NETWORK & GO!

It's easy to install, it's easy to use! Everyone can do it.

##### Step 1 - Install the CD-ROM Software.

Insert your HBTC1 installation CD into your CD-ROM Drive and the Auto-Run function will automatically guide you to start the installation of your USB Bluetooth™ Adapter.

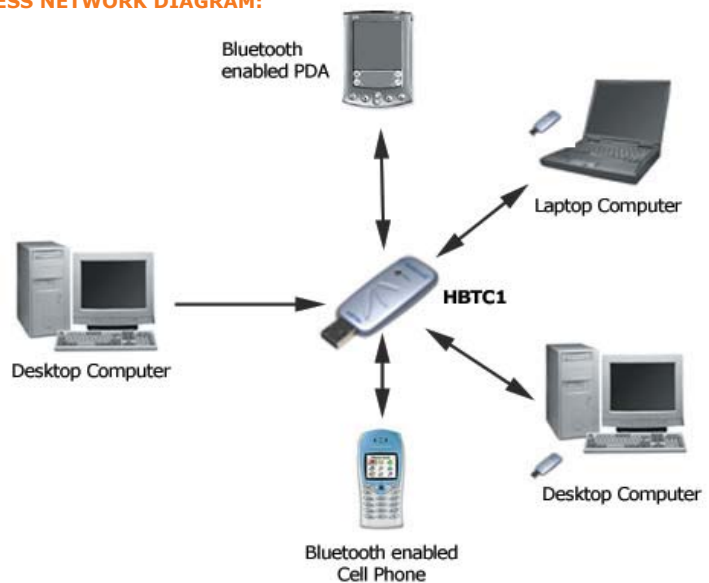

##### Step 2 - Plug in your USB Bluetooth™ Wireless Adapter.

Find an available USB Port on your computer and plug the HBTC1 in.

##### Step 3 - Customize and Configure.

Right click on the Bluetooth™ icon in your Windows taskbar to customize your settings and search for other Bluetooth™ devices. Its that easy!

#### WIRELESS NETWORK DIAGRAM:

#### Features

- ◆ Complies with Bluetooth 1.1 Specifications.
- ◆ Uses 2.4 GHz ISM frequency band.
- ◆ High-speed Wireless Transmissions, up to 723 Kbps Data Throughput.
- ◆ Enables wireless connectivity between a notebook computer and other Bluetooth™ devices.
- ◆ Provides a high degree of security for communications between Bluetooth™ devices.
- ◆ Connections within ranges of up to 100 meters.
- ◆ Plug and play installation in Windows98/ME/2000/XP. Mac OS X+ compatible.
- ◆ Connect with Bluetooth™ devices outside your PAN to quickly and easily share data, files and information with a friend or co-worker.
- ◆ Synchronize devices in your Personal Area Network to keep your data consistent.
