

HUF2

10/100M USB Network Adapter

HUF2

Fast Ethernet USB Network Adapter

PACKAGE CONTENTS:

- ◆ One USB Network Adapter
- ◆ One CD, includes Driver and Manual
- ◆ One User's Manual

CONNECT YOUR LAPTOP OR DESKTOP TO THE INTERNET!

The compactly designed Hawking HUF2 USB 10/100M Fast Ethernet Network Adapter provides the quick and easy way to connect your notebook or desktop to a LAN, without having to open up the computer. The HUF2 plugs directly into your system's USB port to connect any 10Mbps, 100Mbps, 10/100Mbps network. The HUF2 is easy to set up and use. It also features instant hardware recognition from Windows 98SE/2000/ME and it is hot swappable. With the HUF2, sharing one Internet connection, personal files, or even sharing a printer among several computers has never been easier.
