PRINT SERVER

Mini Print Server

PN6125

2 Year Warranty

Get Connected with Hawking

- Easily connect printer to network
- Compatible with most printers
- Simple to Install, easy to use
- Compatible with most Networking Systems

HAWKING ®
TECHNOLOGY

Network your printer

The PN6125 from Hawking is a Mini 10 Base-T Print Server for Windows 95/98/2000/ME/NT and NetWare. The PN6125 multi-protocol print server supports Windows 95 and 98/ME peer-to-peer networks, Windows NT/2000 and Novell's NetWare. The PN6125 Print Server not only gives network users greater flexibility, but also file server loads. This enhances both printing performance as well as overall network performance. In addition, by using our Windows based installation program, configuration can be completed in minutes.

The PN6125 supports multiple servers, which will allow you to print from anywhere and from any application. Place your printer anywhere on the network. Furthermore, the RJ-45 connectors allow you to connect directly to your printer and Hub without the need for printer cables.

Package Contents:

- 1 Mini Print Server
- 1 3.5" setup diskette
- 1 external AC power adapter
- 1 user's manual

Systems Requirement:

- IEEE 802.3 10BaseT network
- Windows 95/98/2000/ME/NT or NetWare Network

Network Protocol Support:

- Netbeui
- IPX/SPX

Ready, Network & Go!

It's easy to install, it's easy to use! Everyone can do it.

Step 1 – Connect it
Connect the PN6125 directly to your printer via the Parallel port – no printer cables are needed. Connect to the existing network via the RJ45 port. Next, plug in the included power adapter.
Step 2 – Install it
Then, insert the setup diskette into the A:/ drive and run the Setup program. It's that easy.

Step 3 – Add it
Click the Add Printer Icon to add the printer to your Networked PC. Now you can enjoy fast Network Printing from anywhere and from any application

Application Diagram:

Features	Benefits
RJ45 Port	Connect to a 10BaseT Network
Standard Centronics Port	Directly Connects to printer – No printer cable required
Flexible and convenient	Place your printer anywhere in the network-No need to place your printer next to the workstation or file server
Supports Multiple protocols	Print from anywhere and from any application

Specification:
Network Interface:
- One RJ 45 IEEE 802.3 10BaseT
- Cat.3/5 UTP, 100ohm STP cabling up to 328ft/100M

Printer Interface:
- One DB25 Female print port

LED Indicators:
- Power, Status, Flow/Link

Network Protocol Support:
- IPX/SPX, NETBEUI

Network Operation Systems Support:
- Windows 98/95/ME, 2000, NT 3.51, 4.x
- NetWare 3.12 and 4.x(Bindery & NDS)

Network Printing Support:
- NetWare "Print Server" mode
- NetWare multiple print queues
- Windows NT/2000 printers pool feature
- Multiple NT/2000 servers, printing on demand
- Windows 95/98 peer-to-peer networks

Configuration Support:
- All-in-one Windows-based setup program

Ordering Information:
PN6125 1-Port Mini Print Server
PN7117 1-Port 10/100M Mini Print Server
PN7117P 1-Port Mini Internet Print Server
PN7337P 3-Port Internet Print Server
